

## Plug time switches - topica 600

Item No 16.15.0001.1 / EAN Code 4010940039387

### PRODUCT DESCRIPTION

The topica 600 digital plug-in time switch features 20 memory spaces and allows precise switching, even after a power failure or a clock change. Thanks to a range of programs, such as the daily program, weekly program or random switching, and with a very short switching time of only 1 minute, you can realise a wide variety of highly-flexible switching options. In addition, a manual switch enables quick manual switching on and off without affecting programming.

### APPLICATIONS

- ▶ Presence simulation
- ▶ Household devices control
- ▶ Direct heating systems control
- ▶ Light control

### TECHNICAL DATA

#### Electrical Data

Supply voltage	AC 230 V $\pm$ 10% 50-60 Hz
Current capacity - ohmic load	16 A / 250 V AC
Current capacity - inductive load cos.phi 0.6	4 A / 250 V AC
Power consumption	5 VA
Power reserve	3 years

#### Operating specifications

Manual switch	Automatic mode Fix ON/OFF
Program	Set individual days or weekday block formation Free weekday block formation Menu programming with free and fixed programs Daily program (ON/OFF) Weekly program (ON/OFF) Random program (1 ... 45 min)
Memory lspaces	20

#### Display and format

Shortest switching time	ON/OFF 1 minute
Clock	Digital
Status indicator	Switch position display

#### Operating conditions

Temperature (operation)	-10 °C ... +55 °C
-------------------------	-------------------

#### General specifications

Drive type	Synchronous
------------	-------------

#### Compliance with standards

Approval mark	CE
