DATA SHEET

PROTECTOR K 9 V lithium

Item number	GTIN
ER10018930	4015120018930

Product description

- Photoelectric smoke detector for battery operation with in-built relay driver for the PROTECTOR K switching relay
- Safety through automatic self-test with fault display
- Extra safety through genuine electronic smoke chamber testing at the push of a button

Technical data

GENERAL	
Device category	Smoke alarm
Remote controllable	–
Conformity	CE, RoHS, WEEE
Warranty	3-year
Automatic testing	approx. every 45 seconds with fault display
Electronic smoke chamber test	at the push of a button
Signal volume	approx. 85 dB/3 m
Networkability	up to 30 detectors by wire

ATTACHMENT	
Installation type	Surface mounting
Installation position	Ceiling

HOUSING	
Dimensions	Height/Depth 48 mm, Ø 106 mm
Weight	142 g
Protection type	IP20
Permissible ambient temperature	0 °C...+55 °C
Relative humidity	5 - 93 %, non-condensing
Colour	white, similar to RAL 9010

ELECTRICAL VERSION	
Protection class	III
Nominal voltage	9 V
